Dear Friend,

Would you like to be part of something great and make a difference in your own backyard? If so, we encourage you to support the Jefferson Community Foundation. Since 1999 the Foundation has received and administered donations for the educational, cultural and charitable benefit of Jefferson county citizens.

The Foundation is home to more than 45 special project and scholarship accounts. An impressive 97 percent of your donation goes back into the community. These funds go to help worthy individuals right in our neighborhood. All it takes is a little help from each of us to do more for our community. Almost anything you see has been touched in some way by the Foundation. You'll be able to see firsthand the difference you can make in peoples' lives.

We've made it easy to contribute to this exciting Foundation. Simply fill in the return form in the enclosed brochure with the amount you're able to give and mail it back in the enclosed envelope. With your generous gift we can continue to make a difference in our community.

Wishing you & your family a very Merry Christmas and a Happy New Year.
